**Club and Developmental Cup Winners**

OYSAN recognizes the clubs accumulating the most points in the U-10 through U-12 ages (Developmental Cup) and in the U-13 through U-18 ages (Club Cup). A commemorative plaque is presented to the winners at the OYSAN AGM in November.

Congratulations to the past winners, who are recognized below.

**Adjustments to 2011 OYSAN Developmental Cup Award**

The initial intent of the Developmental Cup was to promote multiple teams per club in the youngest age groups. Theoretically, the "best" developmental club would build the broadest base of players and provide the basis for a competitive structure (minimum of 2 teams) at U-13.

The observed trend remains towards single teams in the U-10 through U-12 age divisions, often to the exclusion of younger and smaller players. Therefore, beginning in spring 2011, the following minimum number of teams is required to compete for the OYSAN Developmental Cup Award.

<b>U-10</b>	Two Teams
<b>U-11</b>	Two Teams
<b>U-12</b>	One Team
