

OYSAN State Cup Team Check-In Procedures For Toledo May 14, 15 & 16

Thirty (30) minutes before the first State Cup game, the Team Manager only must check-in (register) with the tournament headquarters (tent).

Team managers need to check-in only one time during the entire Toledo weekend. Team Managers must bring player/coach passes to the tent.

The check-in procedure involves:

- Teams (Team Managers) will be checked in on a first come first serve basis.
- The tournament will have a copy of each team roster, but teams need to come prepared with the following documents to present, if needed:
 1. A copy of their league approved State Cup roster
 2. Acceptable proof of age for every player
 3. Medical release for each player

OYSAN staff will:

- Verify each player and coach pass against the team roster.

All teams will come prepared with a completed “OYSAN Official Game Report for the Toledo Weekend” for each game.
