

PLAYER PASSCARD INSTRUCTIONS

Each member entering interstate competition must carry the US Youth Soccer member passcard. The pass identifies the member by recent photo and by signature and is proof of registration and eligibility. It should be typed, printed by computer or neatly printed.

The left (white) and the right (blue-membership) sides of the pass should contain the following information:

Front of Member Pass (White):

STATE: Name of National State Youth Association (*Ohio North or OYSAN*)

MEMBER: Type of member (*player, coach, assistant coach or team manager*)

NAME: Name of member

BIRTH DATE: Month/day/year of the player. It is not necessary to indicate a coach's birth date on the front of the card.

TEAM: Team name

TEAM NUMBER: Unique number assigned to team

AGE GROUP: Appropriate age group (intent is team age group)

SEASONAL YEAR: Indicates current seasonal year (*2005-2006*)

I.D/#: Identification Number: This may be league or State-generated #

Back of Member Pass:

Left side: A small recent passport-style photo of the player (approximately 1" x 1") should be glued to the upper left corner where it indicates "attach photo here."

The member should sign in cursive (except for the very young players) on the line indicating player signature. This signature must be as the name appears on the front of the card and the team roster.

Directly below the member's signature, the pass must be signed by the appropriate registrar on the line indicating registrar signature. This individual is verifying the registration with the National State Association.

Right Side: This membership card, indicating the code of conduct, should be given to the member.

It is recommended that all passes be laminated.
